Westgate Family:

Just to give you all an update on the construction progress. We hoped we would be ready for the Fall I session, but due to delays beyond our control, we will not be offering classes this early fall.

The plans are to be in the building middle to late September. Depending on the absolute completion of the work, depends on when our re-opening celebration will be held. Staff is in the process of planning some events, workshops and some free trial classes to be conducted once we return. Those plans will be released once we have confirmation on reopening.

On behalf of the staff and volunteers, we thank you for your patience during our transformation. We are so excited to be moving back into the building. Some amazing changes have been made that we believe will impact our programs for the positive.

We will have an amazing fitness room, new room addition to house the gymnastics program, a wrestling room in the basement, a wood dance floor, upgrades to the kitchen and art rooms, and a new sound system in the auditorium to enhance our new drama programs. Also, our gym floor will be redone along with brand new bleachers. These are just some of the changes. There are many more that I am keeping secret until the center reopens.

Just a few other programming notes:

Soccer registration will be conducted at the enclosed shelter house August 12, 13, and 14 from 3:00pm to 7:00pm. Fee is \$45.00 cash or check only! (Payable to Westgate CRC)

For preschool classes, Holton will be conducting classes this Fall I session. Westgate staff *will not* be the instructors for these programs. However, the staff at Holton is amazing and I believe you would enjoy their programs. Please contact Holton, 645-3208 for their schedule.

Please be patient a little longer. The changes are wonderful and it won't be long until you will be able to see the benefits of this past year's work.

See you soon.

Denica Bruce

Westgate Center Manager
